Abstract

This is a sample abstract for submitting a proposal for a talk presentation at TIES 2018. You should send the tex file and a pdf version of your proposal.

The authors can be listed in any preferred order, but the presenting author has to include an asterisk and his/her email. Including his/her personal web page is optional.

Abstracts can be up to 300 words.

You can use some references as [1, 2] if needed. Avoid referencing unpublished materials or past presentations for which papers are not easily obtained.

Include between 3 and 10 keywords.

Keywords: Sample document, TIES2018, keyword3.
